

Ottawa Ski Club's

Lodges Are Now Ready

Skiing conditions are eminently favorable now; there is more snow on the hills of the Gatineau than there was at any time last winter and this snow is well packed, loose on top and firm underneath. The bush squads of the Ottawa Ski Club have again been at work this week around Camp Fortune, and practically all the trails are now clean. All the lodges of the Ottawa Ski Club, viz., Camp Fortune, Dome Hill Lodge, Western Lodge and Pink Lake Lodge, are ready to accommodate skiers.
